

NOTICE OF COMPLETION
AND
AUTHORIZATION TO APPLY THE UL MARK

05/21/2013

Spellman High Voltage Electronics Corp
Mr. Taqi Nasir
475 Wireless Blvd
Hauppauge Ny 11788, Us

Our Reference: File E227588, Vol. X1 Project Number 13ME03949
Your Reference: T NASIR 4-22-13
Project Scope: USR/CNR - UL Report E227588-A5 updated to add 1200 W High Voltage Power Supply Models DXM20N1200 and SLM20N1200, under Volume X1.

Dear Mr. Taqi Nasir:

Congratulations! UL's investigation of your product(s) has been completed under the above Reference Number and the product was determined to comply with the applicable requirements. This letter temporarily supplements the UL Follow-Up Services Procedure and serves as authorization to apply the UL Mark at authorized factories under UL's Follow-Up Service Program. To provide your manufacturer(s) with the intended authorization to use the UL Mark, you must send a copy of this notice to each manufacturing location currently authorized under File E227588, Vol. X1 and including any special instructions as indicated in the addendum to this letter.

Records in the Follow-Up Services Procedure covering the product are now being prepared and will be sent in the near future. Until then, this letter authorizes application of the UL Mark for 90 days from the date indicated above.

Additional requirements related to your responsibilities as the Applicant can be found in the document "Applicant responsibilities related to Early Authorizations" that can be found at the following web-site:
<http://www.ul.com/EAResponsibilities>

Any information and documentation provided to you involving UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL.

We are excited you are now able to apply the UL Mark to your products and appreciate your business. Feel free to contact me or any of our Customer Service representatives if you have any questions.

Very truly yours,

Michael A. Lavorata
